NSPCI Women 2022 Committee

The NSPCI WOMEN 2022 Committee are organising a series of projects and events to mark this special year celebrating the women in our denomination.

1. We are hoping to create bunting with each pendant containing a photograph of a lady who is or was a member of the NSPCI to display at this year's Synod meetings. If you would like to be included or would like a family member included please give Adele a photograph that could be used or she can give you a template and you can create your own pendant.
2. For the knitters in our congregation, it has been suggested that we knit prayer squares and either make them into blankets for the Blythswood Charity or give them as a gift to residents in local nursing homes or hospital chaplains for distribution - there is a pattern for the squares so if anyone would like a copy please speak to Adele.
3. Rev Heather Walker is hoping to have a series of articles on ladies associated with the NSPCI published in the Non-Subscribing Presbyterian Magazine - if anyone would like to submit an article about themselves or someone they know, Heather would be delighted to include it in a future edition.
